

Thank you!

Thanks for offering to make dough for our social studies CA map project. Please send the dough to school on **Friday, September 9th**.

Dough Recipe

6 cups of flour

1½ cups of salt

6 tablespoons of cooking oil

6 teaspoons of cream of tartar

6 cups of water

Place all ingredients in a stovetop pan. Heat at medium temperature; stir constantly. Mixture will thicken as it cooks. Lumps will smooth out when it's done. Fold onto cutting board. Knead until completely smooth. Allow time to cool. Please divide into 4 equal portions and place in sealed, separate zip lock baggies for each portion and send to school on Friday, September 9th.

IMPORTANT

Cook the dough long enough to form a ball. Knead it until it's smooth, or the maps will not look right. Do not substitute other ingredients for the ones listed above. It's essential for the drying process. Thank you!
