When you are out shopping for school supplies, please consider purchasing them at Office Depot as the school will receive a 5% credit, helping us purchase supplies for the entire school. When you purchase, please tell the clerk that you would like your purchase credited to Westpark Elementary. Our school ID# is 70009067, but the clerk can always look up the number for you. Thank you, again, credits allow the school to purchase office and school supplies freeing up general budget for other needs.

Thank You!
