We hope that you enjoy Pizza Night as much as we enjoy hosting it. Some of the best experiences are when an officer turns the corner to deliver a pizza order only to discover the entire neighborhood is involved! We encourage you to host a neighborhood get together. What a great opportunity to collaborate with your neighbors and demonstrate to the children who live nearby that you care about them and their futures!

**NOTE:** You may combine orders on one street to meet your minimum order requirement as long as they are delivered at the same time. Just staple the order forms together when you mail them in or drop them off at the Police Department. Thank you!
