

Brywood ACE Program

Digital Storytelling with Microsoft Office Tools

Grades 2-4

Give the ancient art of storytelling a new expression in the digital age. Select your favorite story or write your own storyline, and weave text, images, animation, music, and narrative together. Give deep dimension and vivid color to characters, situations, experiences, and insights. Learn the elements and organization for a successful story, plus skills for using Word and PowerPoint. Build the foundation to be an effective presenter in your future academic and professional career. Showcase the digital storytelling projects on a professional looking CD.

Class Monitors Wanted:

Would you like to help monitor ACE classes? The work includes taking roll, assisting children who need help, occasionally helping with classroom set-up and clean-up, and checking on each class a few times during the class period. Volunteers who monitor are granted one reduced class tuition. If interested, please mail Kathy Brook-Wong at acemama@me.com ASAP.
