Dear Parents and Guardians,

This year it is essential that 100% of families join the College Park PTA. Your membership fees and donations are imperative in order to keep the programs in place that your PTA supports on an annual basis.

New! For Kindergarten through 3rd Graders, PTA is now funding MUSIC and ART. (For upper graders, the PTA will continue to fund the historical “Walk-Through” Assemblies)

These programs cost thousands of dollars and add so much to our students’ education. These are only a small portion of the programs your PTA supports. Please see the Welcome Letter from our PTA President for a more detailed list of where your PTA dollars go.

Please—join the hundreds of families who support College Park Elementary—and become a member of the PTA.
