Ralph's Gives Back to College Park Elementary School!

2010—2011 Ralph's Scanbar

Dear College Park Families,

Each year our school earns money from Ralph's Grocery Store through a special educational rebate program. We earn approximately \$2400 a year to date, but we only have about 60 of our 500 families participating!

This rebate to our school does not affect the prices you pay at Ralph's and it is SO easy to register. Just take the scan bar below and the next time you shop at Ralph's, give this to the check out clerk and ask them to scan it after you enter your Ralph's card or your telephone number to get your Ralph's Club discounts.

You need only do this ONE time and you'll be registered for College Park's rebate program. This year we need to earn all the money we can to pay for the extra programs that have been cut by our budget crisis.

IMPORTANT NOTE! This program begins on September 1, 2010. If you scanned this scan bar last year, it will expire on August 31, 2010 so it is very necessary to get this scanned once again.

We thank you so much for your participation!
