

# Procedures for Lunch Program 2010-2011

Irvine Unified School District offers a hot lunch program for students. *The following meal prices will be effective July 1, 2010*

## **Elementary Lunch -- \$ 3.25 A La Carte Milk – 75 cents**

The objective of the IUSD Food Service Program is to partner with parents in their child's nutrition at school. Parents can view account balances, transaction history and set a la carte spending limits through **LunchBox** - <http://lunchbox.iusd.org/servlet/SiteManager>. Direct deposits can be made to their child's account via a secure internet connection through E-funds (see web address below).

**Each child has been assigned a four or five digit personal identification number. Students attending IUSD schools in 2009-2010 will retain his/her same PIN number. Students will use this number to access their lunch accounts in order to purchase their food. New students will be assigned a number when they enroll.**

In an effort to address changing lifestyles and to offer better service, we are pleased to announce an online payment option for your child's school lunch account through E-funds.

**(Lunchbox and E-funds are two separate entities.)**

### **OPTION 1: HOW TO PAY FOR SCHOOL LUNCHES**

***GO DIRECTLY TO EFUNDS through THE BELOW WEB ADDRESS: (please allow 24 hours for payment to show on school account) <http://eps.mvpbanking.com/cgi-bin/efs/login.pl?access=55035>***

***Credit Card: 1.99% plus \$1.00 per transaction (Visa, Discover & MasterCard only)***

### **OPTION 2: HOW TO PAY FOR SCHOOL LUNCHES (most popular option)**

You may use one check for all your children in the same school. Make sure you specify how much money to put into each account.
