

## Culverdale's Rainy Day Plan

**Rain before school** – Students should go directly to the classroom after 7:45 AM. (No students on campus prior to 7:45 AM.) School breakfast will be served in classrooms instead of the kitchen.

**Rain at lunch** – Students will eat in the classroom. School lunch will be served in the classroom instead of the kitchen. Bring lunch from home, if possible.

**Rain at dismissal** – Let your child know which of the following plans you will follow 1) pick up your student at the classroom door, or 2) pick up your student in the loading zone in the Paseo Westpark lot. Students will wait in the PAC and adults will escort the students to the car with umbrellas.

***Keeping your children safe is our top priority. Please rest assured that weather conditions are closely monitored and precautions are taken when necessary. Should the need arise, I will contact you via the auto-dialer system and email.***
