

Parent Conference week

October 20th to 24th

The first grade teachers look forward to meeting with parents conference week to talk about their child's goals for the year. Often parents will jot down any questions they have, and bring them to the conference. We hope our conferences will be informative as to how your child is doing in school and what you and our staff can do to make this year a successful learning experience!

First Grade

Fieldtrip

On **Thursday, October 30th**, the first grade classes will be going on a bus fieldtrip to **Centennial Heritage Museum (Kellogg House)** in Santa Ana. The children will be able to discover what life was like one hundred years ago. Making butter, playing a pump organ, doing laundry with a wash board, and dressing in time period clothing are just a few of the many hands- on activities they will experience at this old Victorian home. We will leave Culverdale School around 8:45 A.M. and return by 12:00PM.

We are allowed a limited number of chaperones. If you are interested in helping, please let your child's teacher know as soon as possible. Chaperones will need to provide their own transportation and money to cover their admission to the Kellogg House. Directions will be available the day of the trip.

Students will be eating lunch at Culverdale School. However we will be missing morning recess snack time, so please make sure your child eats a hearty breakfast before coming to school.

Thank you so much for your cooperation! This will be an exciting and educational trip your child will enjoy!

Sincerely,

The First Grade Teachers
