Principal's Corner

Dear Culverdale Families,

Read Across America is a fun event for students and families alike. On March 3rd, we will spend the day celebrating Dr. Zeus's birthday. Families are encouraged to sign up for a time to read to students. Please return the Read Across America sign-up sheet (sent in last week's folder) to your child's teacher to be included in this special event.

Registration for new students for the 2008-09 school year begins on March 17, 2008. The process begins with on-line data entry at www.iusd.org/enrl/login.asp. Kindergarten Round Up is April 24th. We encourage all families to participate in this preview of the Kindergarten experience in IUSD. See the ad on the back of today's Koala News.

Thank you to Richard and Stephanie Suzuki and their boys, Aaron and Brett, for donating forty basketballs to Culverdale. Please accept our gratitude for thinking of our students!

Happy Valentine's Day,

Allie Nixon, Principal

6th Grade Science Fair Projects Go to District Competition

Sixth Graders at Culverdale have been working with our science teachers for months to create their science fair projects. Mr. Cady and Ms. Shoemaker led our students through the scientific process in class. Then students had to conduct their own scientific experiments using the scientific process and create a display board showing the process and outcome.

Twelve students with outstanding projects have been selected to represent Culverdale at the IUSD District Science Fair.

Congratulations to:

James Bozart

Teiya Dyke

Shiori Furukawa

Iman Jaberi

Catherine Kang

Raza Khataw

Armand Kirshman

Lizzette Olvera

Maggie Pan

Moustafa Shihabi
