

ELAC: FAQs

What is ELAC?

This year Deerfield is serving nearly one hundred English Language Learners. The English Language Advisory Committee (ELAC) provides a means to improve communication and collaboration between our school and our community. The committee meets four times a year to discuss our English Language Learner program and decide how to best meet the needs of these students. \

Who may attend meetings?

ELAC is composed of members of our school community, with half of the group representing the school staff and half representing parents of English Learners. All meetings are open to the public and all members of our community are encouraged to attend.

When does ELAC meet?

Our first ELAC meeting is September 23 at 2:45.

Can I bring my children?

Child care is provided for school-aged children.

**Please join us.
You can make a difference for our students.**
