This letter is intended to advise you that students who have not passed the California High School Exit Exam (CAHSEE) by the end of grade 12 are entitled to receive intensive instruction and services for up to two consecutive academic years after the completion of grade twelve or until the student has passed both parts of the high school exit exam, whichever comes first. Our records currently indicate that you have not passed the CAHSEE; therefore, we want to ensure that you have the opportunity to take course work that could provide you support if you choose to retake the exam.

Students in the Irvine Unified School District may enroll in the following courses through our alternative education program.

CAHSEE English-Language Arts Title: Essential English
CAHSEE Mathematics Course Title: CAHSEE Math

To schedule an appointment for counseling and course registration please call (949) 936-7402.

Complaints regarding deficiencies related to intensive instruction and services provided the students, who have not passed one or both parts of the high school exit exam, after the completion of grade 12, shall be submitted to the Assistant Superintendent of Education Services. Complaints can be filed at the school district office. Complaint forms can be downloaded from the district's website at http://www.iusd.org/bdpolicy/policies/1312_4.htm

We look forward to supporting you in your efforts, if you chose to pursue this opportunity and wish you much success in your post high school endeavors.

Sincerely,

Cassie Parham
