

CBET

Community Based English Tutoring

CBET is a tutorial training program taught by experienced, certificated teachers and offered to parents and members of the community of Irvine Unified School District.

These courses focus on understanding the Irvine Unified School District system as well as, available community resources. Practice and use of tutoring strategies help parents develop English language proficiency while providing valued support to students.

Helping Your Child Succeed in School

*We believe parents
are the most
important teachers
in their children's lives.*

Our goal is to empower parents with English skills and the support necessary for them to become active participants in the education of their children.
