

3RD GRADE SUPPLY LIST

Dear Parents,

Greetings!! Just for your handy reference, enclosed is a list of the supplies used in third grade. Your child will receive all the supplies necessary to complete assignments. However, it is extremely helpful when parents are able to provide any or all the below listed supplies for their child. **Each child is encouraged to have his/her own supplies marked clearly with their name.** We have provided this list in June to assist you with early preparation. Students do not have enough space in their desks for anything that is not specifically listed below. Thank you ahead of time. We look forward to working with you and your child next year in 3rd grade. Have a wonderful summer with your family.

**Thank you so very much,
The Third Grade Teachers**
