

5th Grade Supply List 2009-2010

Dear Parents:

We have compiled a recommended supply list for next year to assist your child in their preparation for fifth grade. Please use these recommendations to guide your purchases for school supplies. Items will need to be replenished throughout the year so keep extra on hand at home to draw from. Labeling items with student names is helpful although it doesn't guarantee that items will not be lost or misplaced. **It is recommended that expensive and very special items are saved for home use only.**

Please bring items to school on the **first day**. Besides the supply items noted, **each child should have a backpack**. Backpacks on wheels are recommended to help with the weight of textbooks and supplies.
