

2009/2010 School Year

RE: 6th Grade SUPPLY LIST

Dear Parents,

We know it seems premature to be planning your Back-To-School shopping list, but we would like to ask you to consider the following list when getting your children ready for the 2009-2010 school year. This will greatly help us reduce our supply budget, and **teachers do not have these supplies any longer in their classrooms.**

Below are listed items that can be purchased at any store and **brought to school on the first two days.** Besides the supply items noted, each child should have a backpack. We have found **backpacks** to be the best way to keep everything together while traveling to and from school.

Thank you for your support and assistance in helping to make this a **SUCCESSFUL** year. Have a wonderful summer with your family! We look forward to meeting all of our new sixth graders!!
Mrs. Blazer, Mrs. Humboldt, and Mr. Larson
