

Ralphs Community Contribution Program

***To help Greentree students attend their 6th Grade
Outdoor Science Education Program***

Greentree School has been a participant in Ralph's Community Contribution program for over 10 years and during this time we have gone from selling Ralphs scrip at Greentree to registering your Ralphs Club card with Greentree.

Each dollar contribution from Ralph's, based on your own grocery dollars spent each year, will credit your child's Outdoor Science Education program account in preparation for this very educational and exciting 6th grade experience. If you do not have a child at Greentree, you can notify the school of a student you wish to sponsor, or have your credit go for other camp expenses, i.e. buses, etc.

- **Be sure to enroll your Club Card on-line**
- **After your initial enrollment, Ralphs requires you to re-enroll every year**
- **The new program year begins every September 1st.**
