

SCHOLASTIC BOOK FAIR
May 19-27th

Promote literacy to young learners

Discover the different stages of reading, plus tips for how to choose books with your child at the Book Fair. Children want to read about subjects that interest and excite them. Teachers and parents can encourage students to find books they can't wait to read.

Be sure to come to the Book Fair during Open House on May 26th!

STAR TESTING

This spring, your student, along with public school students throughout California, is participating in the Standardized Testing and Reporting (STAR) Program.

Students at our school will take the tests during the following testing window:

California Standards Tests (CSTs)
Test Date(s): **May 10 – 21st, 2010**

California Modified Assessment (CMA)
Test Date(s): **May 10 – 21st, 2010**

California Alternate Performance Assessment (CAPA)- Test
Date(s): **May 10 – 21st, 2010**

Most of our students will take the California Standards Tests (CSTs). Some of our students, who have been identified with various learning deficiencies, will take the CMA in one or more areas. Students with significant cognitive disabilities, who are unable to take the CSTs will take the California Alternate Performance Assessment (CAPA).

Be sure your child gets plenty of rest, eats a good breakfast and is on time for school each and every day of the school year, but especially during testing.

Test results for both the CSTs and the CMA will be sent to each student's home address in one STAR Student Report in mid August 2010. The CAPA results will be sent in separate reports. Individual results are confidential and will be shared only with parents or guardians and the student's teacher(s).

STAR Program reports provide valuable information about your student's academic achievement. Please plan to keep these reports for use when talking with the teacher(s) about ways to support your student's academic progress in the upcoming school year.

Your PTA has made a commitment to support K-3 music in 2010-2011
