**Director**

Tejal Patel

**Teacher**

Jennifer Sniff

**Teacher**

Nikki Van Hall

**Teacher**

Tim Crosby

**Teacher**

Jennifer Heer

**Assistant Teacher**

Jesus Cazares

## Announcements

A BIG Warm Welcome to all of our new and returning Rainbow families!!! After a successful summer; from Wild Animal Park, Orange County Fair, Lego Land, Wild Rivers, Boomers, Adventure City, Pump it up and Tustin Lanes to name a few. The Rainbow Rising staff and kids are eager to change the gears and kick off the 2009-2010 school year. We are very excited for the new school year. We can't wait to watch our children grow socially, academically and physically as they learn through their experiences at Rainbow Rising Greentree. Our monthly newsletters will include important announcements, dates, reminders and the star of the week. All of our monthly activities, games, projects, and snack menu will also be posted above the parent table. Please feel free to ask any of the teachers any questions or concerns that you might have. Thank you for being part of our Rainbow family!!!

## Activities this month:

September is back to school month. Some of the activities planned for this month are: Finger Painting, Turtle Examination, Pencil Toppers, Taste Testing, Name Aliens, Baked Apples, School Bingo, Bee Experiment, Blueberry Muffins, Flying High Goals, Fire Safety, what's outside the window, Name Game, Plate Design, Storyteller Animal Mask, Sparkle to name a few. Please pick up a complete calendar from the parent table.

## Star of the week

Each week we will be choosing a child to be our Rainbow Rising Star of the week. We will be choosing a child who expresses maturity, responsibility, and kindness. Also, we will choose a child who has shown improved behaviors. We will have a star of the week poster with the child's picture as well as some questions that we will ask them. The child will have free \$1 worth of snack shop on one of the days that snack shop is offered. Also, be the first to be dismissed, first to get snack etc.

## Homework Club

Monday- Thursday we will be offering homework club for our 1st -6th graders from 3-4pm. If you want your child to be part of the homework incentive program you MUST sign them up or talk to Tejal about signing them up. If your child is not signed up we will assume that their assignments will be completed at home. In addition, there are some homework assignments such as book reports, which require extra time and attention from parents. Due to having many children in the homework club, we cannot correct every homework problem; therefore we encourage parents to always look over children's homework for corrections and mistakes.

## Program Goals

We at Rainbow Rising believe that it is important to maintain goals to help us run a successful program. These are some of the goals that we work on: we teach and improve children's schoolwork and homework habits, to teach and improve positive behaviors and communications with peers and adults. We support children's creativity and imagination and motivate positive attitudes towards self and others. We would like to create awareness of cultural diversity amongst children. As well as foster a positive learning experience for children.

## Important Dates

September 24<sup>th</sup>: **Back to school Night**
