Tentative Calendar  
2008-09 School Year

The following is a tentative calendar put together to help you in your planning for the school year. We will do our best to follow this calendar, however, there are inevitable changes. You will be receiving a monthly newsletter beginning in September that will include a calendar of activities for that month. Any information given in the monthly newsletter would supercede this tentative calendar. Please be sure to make any necessary changes to your home calendars monthly to avoid missing any events.
