

Calculus Summer Assignment

Calculus is a college course and every student needs to purchase their own **Calculus textbook** and bring it to class every day, even the first day of class. We'll be using Calculus **Single Variable**, 5th edition, Hughes-Hallett-Gleason-McCallum etc.

ISBN#9780470131596 (hardcover) or ISBN#9780470089156 (soft cover). If you can't find a used textbook your best price will be on the publisher's website:

<http://www.peoplescollegeprep.com/public/browsebooks.php?bookid=1590>, just include our school name, Irvine High School, with your order. Your summer assignment is to read and review Chapter One. We will start the course assuming that you studied and learned these concepts. See you soon!
