

July 2010

Dear Parent or Guardian:

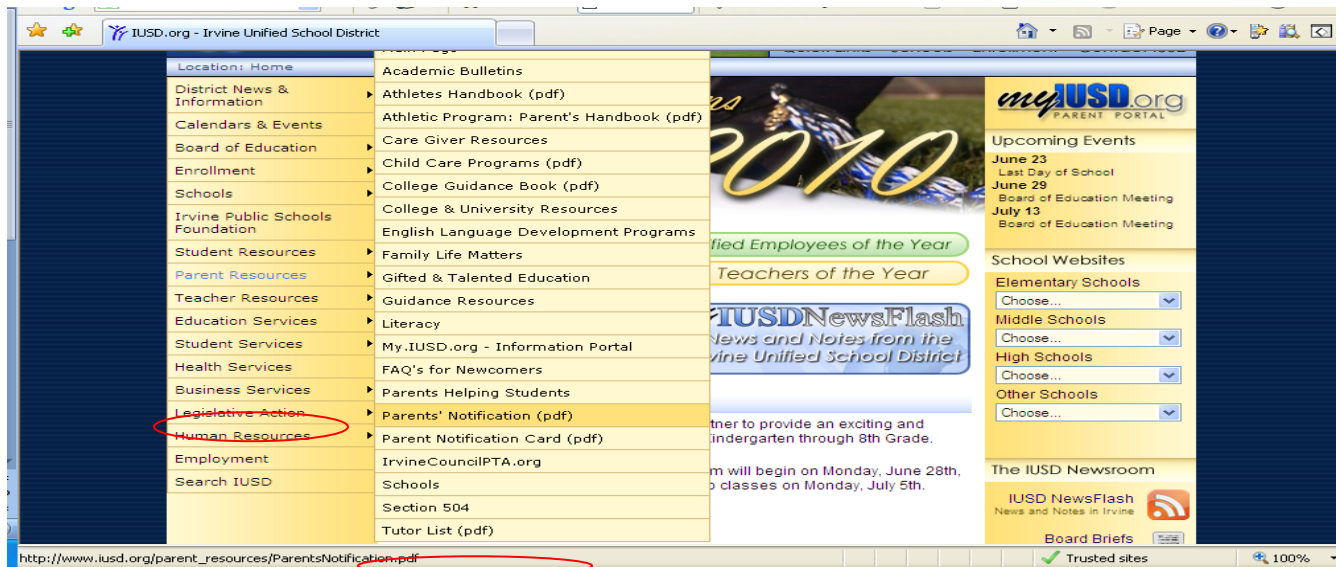

In order to save precious resources and dedicate those limited educational funds to your child's classroom instruction and support, the Irvine Unified School District is asking that you access the Parents' Rights Brochure in its online format, rather than by obtaining a hard copy of the brochure.

As required by law (Ed. Code Section 48980), you are hereby notified of specific code sections and of the right to permit or refuse your child to engage in identified school programs provided by the Irvine Unified School District. Section 48982 of the Education Code requires parents to return a signed card as an acknowledgement of being informed as required by existing statutes.

The brochure is available at the following online address:

[http://www.iusd.org/parent\\_resources/ParentsNotification.pdf](http://www.iusd.org/parent_resources/ParentsNotification.pdf)

You may access the Parent Notification Brochure by using the above link or by going to the Parents' Resources link on the IUSD webpage: <http://www.iusd.org> Select Parent Resources and scroll down to Parent Notification. (See the copy of the webpage below)

If you desire a hard copy, please request one from your child's school site. Whether you read the rights on line or receive a hard copy of the brochure, you must complete a card indicating that you have received access to the brochure as required by California Education Code.

If you have questions, please contact your child's school site, or visit the school's webpage for contact information.

Thank you,

Eamon Kane  
Coordinator, Student Services  
Irvine Unified School District
