

**COMMUNITY SERVICE PERMISSION FORM AND  
NON-DISTRICT TRANSPORTATION NOTICE**

Student Participant (please print clearly) \_\_\_\_\_

I understand that participation in community service IS VOLUNTARY and IS NOT REQUIRED as part of the regular school program; however students may have an option to participate in community service as part of a class activity. I understand that students completing a minimum of 25 hours of annual community service and submitting the required verification document(s) will be rewarded with a notation of the service on their transcript.

Community Service, by its nature, may pose a higher degree of risk than the regular classroom program. If my student chooses to participate in a community service activity, I will allow his/her participation willingly and knowingly in spite of this risk.

I fully understand that the Irvine Unified School District will NOT be responsible for supervision.

I fully understand that this is NOT A DISTRICT-SPONSORED ACTIVITY AND THE IRVINE UNIFIED SCHOOL DISTRICT ASSUMES NO LIABILITY. I RELEASE AND DISCHARGE THE IRVINE UNIFIED SCHOOL DISTRICT, ITS OFFICERS, AGENTS OR EMPLOYEES FROM ALL LIABILITY ARISING OUT OF OR IN CONNECTION WITH THE ABOVE DESCRIBED COMMUNITY SERVICE.

\_\_\_\_\_, student and \_\_\_\_\_ parent/guardian(s), each of us do hereby release and agree to indemnify and hold harmless the Irvine Unified School District, its officers, employees, agents or others engaged by the District from any and all claims for personal injuries or other damages that I or my student might sustain or which I or my student might cause to any other person while participating in a community service activity.

I also understand the District is NOT providing transportation for any community service activity, and I am responsible to arrange for transportation. I further understand that the District is in no way responsible, nor does the district assume liability, for any injuries or losses resulting from this non-district sponsored transportation. Although in some cases the district may assist in coordinating the transportation and/or recommend travel time, routes, or caravanning to or from an activity. I fully understand that such recommendations are not mandatory.
