

READING BINGO

2nd Trimester

Dear Parents,

The sixth grade students at Meadow Park are participating in a reading incentive program, Reading Bingo. The activity is designed to encourage independent reading practice at home and in school. Each student will select a row or line from the Reading Bingo grid to work on. He/she will select books to read according to the genre in each grid, making a total goal of 5 books each trimester (students can always read more). After reading a book the students will complete a book report worksheet. Once the teacher has reviewed the book report the student will receive a sticker to put on their Reading Bingo Card. Once the student gets a Bingo he/she will receive a prize for all their reading success. This is a mandatory assignment and will be included in the students reading grade. **Each student is responsible to read a minimum of three books and complete three book reports this trimester.** Please encourage your child to read each night (they have 20 minutes of nightly reading assigned as homework) and to complete the book report sheet as soon as they complete a book. Here are a few additional reminders:

- The book report sheets can be found in class and on the 6th grade website.
- Students may not include previously read books on their bingo card.
- There are three mandatory second quarter book report due dates (**February 10th, March 2nd, and March 23rd**)

Book Report sheets should be turned in after a book has been read, but is due by the above due dates. Please encourage your child to complete the sheet and turn it in to me **before** starting another book (even if it is before the due date). If you have any questions or concerns, please feel free to email or call.

Thank you,
6th Grade Teachers
