

# Second Grade Homework Standards

Please remember the following second grade standards for completing homework.

- All writing must be completed in pencil.
- Only neatest work is acceptable.
- Assignments should be labeled with the day of the week that it is assigned.
- A line is provided requiring a parent signature for any spellingcity.com activity completed.
- All completed homework must be turned in by Friday morning at 8:10 a.m.
- A parent signature at the end of the completed homework packet verifies that the child has read that evening and that a parent has checked to see that the written homework has been completed in a quality manner, all work and answers are correct, and all work is attached.

\*Homework contracts are sent home each Monday and are due back to school Friday morning. Our purpose in sending the contracts each Monday and requiring them to be returned on Friday is to transition the students from the first grade homework policy (where students are given 7 days to complete it) to the third grade policy (where homework is assigned daily and due back the following morning).

\***Math Homework and Remembering Books: Please remember that we sometimes teach the math units out of order, so do not have your child work on pages that were not assigned. We may be using them later in the year.**

We appreciate your support.
