

## **READING**

- Students will take a vocabulary and a comprehension quiz on Fridays based on the current anthology selection.

## **SPELLING**

- A spelling Pre-test (words in a list) will be given on Mondays and a dictation test (words in sentences) will be given on Fridays. These words are related to the phonics skill that is instructed along with the anthology selection.

## **MATH**

- Timed basic facts tests are given regularly. Students should continue to work on improving speed and accuracy of basic addition and subtraction facts from 0-20.
- Math quizzes are given periodically throughout the unit of instruction and a unit test is given upon completion of each unit.
