Dear Parent/Guardian:

In light of the State of California's fiscal challenges, the Irvine Unified School District is committed to ensuring that all available resources are spent efficiently and effectively to provide the highest quality educational experience we can envision. To meet this objective, it is critical that we have a full and precise accounting of our student population as we review staffing for the coming year.

Our district will therefore require residency verification affidavits for all IUSD students again this year. By completing the enclosed form, which is also available online and at each school, you will be making a formal declaration that your child lives within the attendance boundaries of the Irvine Unified School District.

We believe this process will serve the community's interest by ensuring that local tax contributions are maximized to the benefit of Irvine's families. As always, we thank you for your continued support.

Sincerely,

Gwen E. Gross, Ph.D.
Superintendent of Schools
