

Plaza Vista Media Center E.L.L. Resources

The Plaza Vista Media Center has some translated books available for students to check out as part of their regular library activity. These books were chosen to match some of the novel studies in grades 4 and up. The translations are in **Chinese, Japanese, Korean, Spanish and Vietnamese**. To find the titles that are in translation, go to the Destiny website and choose “Plaza Vista School.”

<http://destiny.iusd.org> and choose “Plaza Vista School”

Go to the “Catalog” tab

In the search box, enter, for example, **Japanese Language Materials** and click on

. You should see a list of the books that are available for students to check out in Japanese.

Please note that the cataloging is a “work-in-progress” so if you have any questions or comments, please email Mrs. Nagatomi at knagatom@iusd.org
