

# OUTDOOR SCIENCE SCHOOL UPDATE

Dear Parents,

This letter is being sent home to inform you of the status of Outdoor Science School camp scheduled for April 24 -27, 2012. At this time, we are pleased to announce that **due to the sales efforts of so many Plaza Vista students as well as purchasing efforts of friends and family,** the final cost for camp will be \$205 per student (this includes the \$198 tuition and busses). This represents a \$25 savings per student! **The final payment will be due April 18th.** If you would like to make payments or discuss the fee, please contact your child's homeroom teacher.

## **We will be having an Outdoor Science School Parent information night on Wednesday, February 22nd**

At this meeting, we will be going over all of the forms needed for camp. We will also talk about packing and answer any of your questions. This meeting is for adults only. We will go over the same information with the students at school.

During this evening, we will also have the Science fair projects on display for viewing.

Mrs. Linquiti will begin the meeting with a viewing of "Let's Get Real". This is a video on bullying that we will be showing all of the sixth graders in the spring. We encourage all parents to view the video first. Your knowledge of the information presented will help with any discussions at home after the students view the video.

### **Our evening's agenda:**

**5:15-5:55 Classrooms open for Science Fair Project viewing**

**6:00-7:00 Meet in Multi-Purpose Room for Mrs. Linquiti's presentation and camp information/forms.**

Should you have any questions, please feel free to contact one of us. We're looking forward to an outstanding camp experience!

Thank you,  
Mrs. Perini  
Ms. Harvey  
Miss Macaluso
