

School Accountability Report Card Reported for School Year 2008-09 Published During 2009-10

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) [SARC](#) Web page. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE [DataQuest](#) Web page that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2008-09)

School Description and Mission Statement (School Year 2008-09)

As a committed learning community, we ensure growth and learning in all students. This is the mission of the staff at Eastshore Elementary School.

Upon review of Eastshore School's Accountability Report Card evidence of a school built upon this premise is evident. The commitment to each student is apparent in the dedication of our teaching staff to ongoing professional growth opportunities designed to enhance their instructional skills and assessment techniques to assure that students are

provided an exemplary educational program. The staff at Eastshore works collaboratively as a professional learning community. Time is provided during the instructional day on a regular basis for teachers to analyze student work, develop common formative and summative assessments and design improved instructional practices and interventions to ensure academic growth in each student. Exposure to current research generates dialogue resulting in analysis of the quality of instruction and curriculum planning. Our support staff provides enrichment in music, art, and science with additional staff providing reinforcement of essential skills. Assessment is ongoing in all grades with published results of STAR testing, CELDT testing, and Physical Fitness testing as other indicators of the quality instructional program provided every student at Eastshore Elementary School.

We are committed to the ongoing academic, social, and emotional well-being of every student. Our programs include the Alternative Program for Academically Accelerated Students (APAAS) classes, GATE clusters in general education classrooms, Specialized Academic Instructional support, Speech and Language support, SDAIE instructional support for our English Language Learners, the Early Intervention Reading Model for emerging readers, Specialized Academic Instruction in Self Contained classes in Kindergarten and First grade and general education classes. In every academic setting we provide a learning environment emphasizing individual initiative and creativity as well as group cooperation and communication skills. We have a school wide focus and motto of RIR; focusing on the values of respect, integrity and responsibility to instill good citizenship and pride in all students and staff. Our staff carefully monitors each student and celebrates his/her successes and uniqueness at our regularly scheduled RIR assemblies.

Opportunities for Parental Involvement (School Year 2008-09)

Opportunities for Parental Involvement (School Year 2008-09)

Eastshore School thrives in a community that believes education is a partnership between the home and the school. The PTA, the School Site Council, parent volunteers, and support from the business community are integral to the ongoing success of our students. PTA provides enrichment opportunities through assemblies and after school classes, financial support for programs and teachers and community events which foster connectedness. The School Site Council participates in the monitoring of our educational plan and the expenditure of funds to enrich our curricular focuses. Parent volunteers contribute hours to the classroom through tutorial and clerical support. The business community is also involved by supplying our school with resources to purchase equipment and other supplies as well as assemblies which benefit the entire school community.

Student Enrollment by Grade Level (School Year 2008-09)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students
Kindergarten	65
Grade 1	72
Grade 2	59
Grade 3	60
Grade 4	101
Grade 5	99
Grade 6	94
Total Enrollment	550

Student Enrollment by Group (School Year 2008-09)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment
African American	1.82 %
American Indian or Alaska Native	0.55 %
Asian	34.91 %
Filipino	1.82 %
Hispanic or Latino	8.91 %

III. School Climate

School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

Eastshore School has developed a comprehensive Safe School Plan. Our plan is evaluated yearly and amended, as needed by the School Site Council and by the key leaders of the Safe School Plan committee. Key elements of the plan include: 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline.

In addition, monthly fire drills, a full simulation earthquake drill, and a full intruder drill are scheduled and implemented throughout the school year to assess our level of preparedness. We purchase and replenish our emergency supplies annually with the help of the PTA to ensure that all students and adults on campus will be cared for in case of any disaster. These emergency supplies (food, water, blankets, first aide, and all other emergency equipment) are kept in our emergency storage shed for immediate access if needed.

Staff has also participated in Search and Rescue and First Aid Training provided through the district. We have updated our plan accordingly and continue to do so after each drill to ensure a fine tuned response system.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09

Expulsions	0.0	0.0	0.0	0.1	0.2	0.2

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2009-10)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Eastshore School was built in 1980. Since that time, six portable classrooms have been added to accommodate California's Class Size Reduction Incentive Program. The facilities reflect the pride that this community has in this school. All classrooms are connected to the District Wide Area Network through T-1 lines. There are 125 networked computers in the school. The media center has a comprehensive library along with two computer labs. An entire classroom can visit the computer lab together for instruction, research, and work on class assignments and projects. Our custodial staff is committed to the clean appearance of the school and is supported by the district's Maintenance and Operations Department. Classroom furniture is replaced as needed. Classroom audio visual equipment was upgraded to reflect changing technology which includes LCD projectors and screens in every classroom, document cameras in each classroom and access to sites such as United Streaming for support in classroom instruction.

School Facility Good Repair Status (School Year 2009-10)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X				
Interior: Interior Surfaces	X				
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X				
Electrical: Electrical	X				
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X				
Safety: Fire Safety, Hazardous Materials	X				
Structural: Structural Damage, Roofs	X				
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X				
Overall Rating	As of the most recently completed school site inspection, the facility condition is considered to be exemplary.				

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE [DataQuest](#) Web page.

Teachers	School			District
	2006-07	2007-08	2008-09	2008-09

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2007-08	2008-09	2009-10
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2008-09)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE [Improving Teacher and Principal Quality](#) Web page.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	100.0	0.0

High-Poverty Schools in District	---	---
Low-Poverty Schools in District	99.6	0.4

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2008-09)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	---
Library Media Teacher (Librarian)	0	N/A
Psychologist	.5	N/A
Social Worker	0	N/A
Nurse	.2	N/A
Speech/Language/Hearing Specialist	.6	N/A
Resource Specialist (non-teaching)	.6	N/A
Other	---	---

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2009-10)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
Mathematics	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
Science	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
History-Social Science	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
Foreign Language	N/A	N/A
Health	All students are provided an individual textbook or	0

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2007-08)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE [Current Expense of Education & Per-pupil Spending](#) Web page and teacher salaries can be found on the CDE [Certificated Salaries & Benefits](#) Web page.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$4,905	\$299	\$4,606	\$67,743
District	N/A	N/A	\$4,863	\$72,719
Percent Difference – School Site and District	N/A	N/A	-5.59%	-7.35%
State	N/A	N/A	\$5,512	\$67,049
Percent Difference – School Site and State	N/A	N/A	-19.67%	1.03%

Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

For 2008-2009, Eastshore Elementary School received special funds in the amount of \$108,040. The majority of these funds were spent on personnel, including – classroom teachers, and instructional assistants, and to serve with unique educational needs in the following programs:

Special Programs	Amount
English Language Acquisition Program	\$ 2,075.00
Economic Impact Aid	\$ 23,286.00
Gifted and Talented	\$ 1,443.00
School Improvement Plan	\$ 36,020.00
Title I	\$ 45,216.00

Teacher and Administrative Salaries (Fiscal Year 2007-08)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE [Certificated Salaries & Benefits](#) Web page.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$40,814	\$42,065
Mid-Range Teacher Salary	\$72,891	\$67,109
Highest Teacher Salary	\$94,223	\$86,293
Average Principal Salary (Elementary)	\$112,370	\$107,115
Average Principal Salary (Middle)	\$116,909	\$112,279
Average Principal Salary (High)	\$131,659	\$122,532
Superintendent Salary	\$232,875	\$216,356
Percent of Budget for Teacher Salaries	43.10 %	39.40 %
Percent of Budget for Administrative Salaries	5.00 %	5.50 %

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics, and science in grades two through eleven, and for science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA and mathematics for grades three through eight and science in grade five and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE [Standardized Testing and Reporting \(STAR\) Results](#) Web site. Program information regarding the STAR Program can be found in the [Explaining 2008 STAR Program Summary Results to the Public guide](#). Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09

Science	71	83	85	75	80	83	38	46	50
History-Social Science	0	0	0	60	67	71	33	36	41

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results by Student Group (School Year 2008-09)

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
African American	46	38	*	*

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2008-09)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE [Physical Fitness Testing \(PFT\)](#) Web page. Note: Scores are not shown when the number of students tested is ten or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Healthy Fitness Zones		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	13.9	26.7	50.5

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE [Academic Performance Index \(API\)](#) Web page.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from one to ten. A statewide rank of one means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of ten means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of one means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of ten means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2006	2007	2008
Statewide	10	10	10
Similar Schools	1	4	5

"N/A" means a number is not applicable or not available due to missing data.

"B" means this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or statewide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by Education Code Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law. Growth, target and rank information are not applicable to LEAs.

"C" means this is a special education school. Statewide and similar schools ranks are not applicable to special education schools.

" * " means this API is calculated for a small school or a small LEA, defined as having between 11 and 99 valid STAR Program test scores included in the API. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted. Similar schools ranks are not calculated for small schools.

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All Students at the School	21	12	8	928
African American	---	---	---	---
American Indian or Alaska Native	---	---	---	---
Asian	12	19	-3	981
Filipino	---	---	---	---
Hispanic or Latino	---	---	---	---
Pacific Islander	---	---	---	---
White (not Hispanic)	17	7	19	920
Socioeconomically Disadvantaged	---	---	---	---
English Learners	---	---	---	884
Students with Disabilities	---	---	---	---

"N/A" means a number is not applicable or not available due to missing data.

"**" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2008 or 2009. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

Adequate Yearly Progress Overall and by Criteria (School Year 2008-09)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	Yes

"Yes" Met 2009 AYP Criteria

"No" Did not Meet 2009 AYP Criteria

Federal Intervention Program (School Year 2009-10)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Eastshore staff participated in two full six hour days of staff development. One day was a district staff development day focused on Math and the other was a site based staff development day focused on developing as a professional learning community. Additionally, staff is required to attend 6 hours of professional development during afternoon sessions which are two hours in length and distributed throughout the school year. During the 2008-2009 school year the staff was trained in updates to the ORCHARD program which we use as reinforcement and enhancement to the regular school curriculum, and all staff participated in Math training which was aligned to the newly adopted Math textbooks. The staff worked collaboratively both in grade level and vertical teams throughout the year on scheduled staff collaboration days to continue the PLC process and identify essential learnings and develop common formative and summative assessments. Teachers in grades K-1 continued to participate in the Early Intervention Reading Model (EIRM). This professional development allows our K-1 teachers to develop plans to strategically work with their most at-risk readers. Other professional development sessions focused on CORE+ training for second and third grade teachers, fine arts inservicing provided by the Pacific Symphony related to the Class Act program, and district wide PLC training for the school's Guiding Coalition.

XIII. National Assessment of Educational Progress

National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities and English language learners is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the [National Assessment of Educational Progress](#) Web page (Outside Source).

Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school. Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. For example, the NAEP only assesses grades four, eight and twelve and for long-term trends assesses grades nine, thirteen, and seventeen. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. For example, the NAEP is not aligned with California academic content and achievement standards and, therefore, does not necessarily reflect the curriculum and instruction to which students are exposed in the classroom. The NAEP assesses reading and writing separately, while the CSTs assess English-language arts (ELA), encompassing reading as well as writing conventions, spelling, and grammar. Scores on the CSTs and other assessments are not directly comparable to those on NAEP. The averages and percentages presented are estimates based on samples of students rather than on entire populations. Finally, the questions students respond to are only a sample of the knowledge and skills covered by the NAEP frameworks. Information on the differences between NAEP and CST can be found on the CDE [National Assessment of Educational Progress \(NAEP\)](#) Web page.

National Assessment of Educational Progress Reading and Mathematics Results by Grade Level – Aggregated

This table displays the scale scores and achievement levels on the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight

Subject and Grade Level	Average Scale Score		State Percent at Achievement Level		
	State	National	Basic	Proficient	Advanced
Reading 2007, Grade 4	209	220	30	18	5
Reading 2007, Grade 8	251	261	41	20	2
Mathematics 2009, Grade 4	232	239	41	25	5
Mathematics 2009, Grade 8	270	282	36	18	5

National Assessment of Educational Progress Reading and Mathematics Results for Students with Disabilities and/or English Language Learners by Grade Level – Aggregated

This table displays the state and national participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

Subject and Grade Level	State Participation Rate		National Participation Rate	
	Students With Disabilities	English Language Learners	Students With Disabilities	English Language Learners
Reading 2007, Grade 4	74	93	65	80
Reading 2007, Grade 8	78	92	66	77
Mathematics 2009, Grade 4	79	96	84	94
Mathematics 2009, Grade 8	85	96	78	92
