

# School Accountability Report Card Reported for School Year 2008-09 Published During 2009-10

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) [SARC](#) Web page. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### DataQuest

DataQuest is an online data tool located on the CDE [DataQuest](#) Web page that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## II. About This School

### Contact Information (School Year 2008-09)

This section provides the schools contact information.

School		District	
School Name	Lakeside Middle	District Name	Irvine Unified
Street	3 Lemongrass	Phone Number	949-936-5000
City, State, Zip	Irvine , CA 92604-3608	Web Site	www.iusd.org
Phone Number	949-559-1601	Superintendent	Gwen Gross
Principal	Gina Cuneo	E-mail Address	ggross@iusd.org
E-mail Address	gcuneo@iusd.org	CDS Code	30- 73650- 6098511

### School Description and Mission Statement (School Year 2008-09)

School Description and Mission Statement (School Year 2008-09)

Lakeside Middle School is a dynamic, innovative, educational community designed to meet the unique needs of the young adolescent. The Lakeside staff and parent community have developed a positive, supportive and disciplined learning environment with high expectations for academic achievement. An array of instructional strategies along with a group of highly qualified teachers ensure that ALL students have access to rich curriculum and motivation for learning. It is our belief that every middle school child has the capacity to be compassionate and giving; to be perceptive, creative, and informed; to be industrious, ethical and a risk-taker; to be poised; to persevere and to

celebrate each day with optimism.

### **The School Report Card**

Under the provisions of Proposition 98, schools in California are required to prepare an annual school accountability Report Card assessing the school in 13 performance areas. The purpose of the Report Card is to inform our school community about the conditions and progress being made at our school. Our profile also provides an excellent opportunity for us to identify the strengths and weaknesses of our school program and to discuss these issues. As you read this School Profile, I believe you will find a school with an impressive record of consistent achievement and a faculty and community committed to meeting the needs of all our students. We have been recognized on two separate occasions by the State Department of Education as a California Distinguished School, and at the National level as a "Nationally Recognized Exemplary School." Parent involvement has contributed significantly to our success. The partnership between home and school is, indeed, necessary. We believe that students, teachers, and parents must work closely together in an atmosphere of mutual respect and cooperation. Education is a function of both the community and the schools that serve it, and we welcome your participation in your child's educational development.

Lakeside Middle School currently has an enrollment of 693 students for grades 7 and 8 and is located in the Woodbridge Village area of Irvine. Lakeside enjoys serving an ethnically diverse student group that provides for a rich, multi-cultural environment. Although the majority of our students are Caucasian, ethnic minority students represent 51% of our population.

## **Opportunities for Parental Involvement (School Year 2008-09)**

Opportunities for Parental Involvement (School Year 2008-09)

Lakeside welcomes parent involvement during their children's two years in middle school. Staying connected with their children's activities both within and outside the school day sends an important message to young learners that academic progress and personal responsibility are important and are high priorities. There are many avenues for parents to become involved in school activities. Joining our PTA is one way to get involved as there are a number of activities which support the entire school including volunteering for various events or participating in fundraisers. We also have an active School Site Council and an English Language Learning Advisory Committee (ELAC) that give parents an opportunity to get involved with school activities. Many parents use our website, [www.iusd.org/la](http://www.iusd.org/la), to stay in contact with teachers or use email to communicate directly with them. In addition, we have a parent email group list that we use to inform parents of school activities and events.

## **Student Enrollment by Grade Level (School Year 2008-09)**

This table displays the number of students enrolled in each grade level at the school.

<b>Grade Level</b>	<b>Number of Students</b>
Grade 7	351
Grade 8	312
Total Enrollment	693

## Student Enrollment by Group (School Year 2008-09)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment
African American	1.88 %
American Indian or Alaska Native	0.14 %
Asian	36.22 %
Filipino	3.32 %
Hispanic or Latino	9.96 %
Pacific Islander	0.58 %
White (not Hispanic)	42.42 %
Multiple or No Response	5.48 %
Socioeconomically Disadvantaged	9.00 %
English Learners	10.00 %
Students with Disabilities	10.00 %

## Average Class Size and Class Size Distribution (Secondary)

This table displays by subject area the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Subject	2006-07			2007-08			2008-09					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	28.3	2	20	2	29.1	2	14	4	31.0	1	12	10
Mathematics	31.7		10	10	32.8		9	11	33.7		7	12
Science	33.0		8	12	33.4		9	11	32.7		12	8
Social Science	28.4	2	21	2	29.4	2	22	6	31.4	1	11	11

## III. School Climate

### School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

Lakeside School has developed a comprehensive Safe School Plan. Our plan is evaluated yearly and amended as needed by the School Site Council or school safety planning committee. Key elements of the plan discussed annually with staff may include: 1. Assessing the current status of school crime committed on the school campus and at school-related functions, 2a. Child Abuse Reporting Procedures, 2b. Disaster Procedures-Routine and Emergency, 2c. Policies for Suspension, Expulsion and Mandatory Expulsion, 2d. Procedures for Notification of Staff Regarding Dangerous Students, 2e. Policies on Sexual Harassment, 2f. Policy Relating to School Dress Code (especially gang-related apparel), 2g. Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees To and From School, 2h. Procedures that Create a Safe and Orderly Environment Conducive to Learning at School, 2i. Rules and Procedures on School Discipline.

## Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
Suspensions	8.4	7.5	6.2	3.1	3.6	2.8
Expulsions	0.1	0.4	0.4	0.1	0.2	0.2

## IV. School Facilities

### School Facility Conditions and Planned Improvements (School Year 2009-10)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Each teacher's classroom and the campus reflect a supportive, energetic, highly academic and enjoyable learning environment. The Lakeside staff and students enjoy the advantage a small school environment of 700 students provides. However, to ensure a safe school environment for our children, the principal, assistant principal and campus supervisor maintain a high priority on being out on campus at break and lunch, both to supervise and to be available to interact with students. The custodian has developed a positive working relationship with students and helps supervise as well. Our physical education teachers maintain a constant variety of sports tournaments for all students during the lunch break. Before and after school, teachers play an active role supervising campus with the principal, assistant principal, and campus supervisor. School wide emergency response drills were practiced throughout the year.

Lakeside underwent the first phase of modernization in the spring of 2009 and the 300 building was updated and modernized. Additional modernization occurred during the summer and first trimester of the 2009 school year resulting in the creation of four new classrooms, buildings that are IDEA compliant, fire and safety upgrades and beautiful new paint and carpet that has given our school the facelift it deserved.

### School Facility Good Repair Status (School Year 2009-10)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X				
<b>Interior:</b> Interior Surfaces	X				
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	X				
<b>Electrical:</b> Electrical	X				
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	X				
<b>Safety:</b> Fire Safety, Hazardous Materials	X				
<b>Structural:</b> Structural Damage, Roofs	X				

<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	x				
<b>Overall Rating</b>	As of the most recently completed school site inspection, the facility condition is considered to be exemplary.				

## V. Teachers

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE [DataQuest](#) Web page.

Teachers	School			District
	2006-07	2007-08	2008-09	2008-09
With Full Credential	29	30	28	1216
Without Full Credential	0	0	0	1
Teaching Outside Subject Area of Competence	0	0	0	N/A

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2007-08	2008-09	2009-10
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

### Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2008-09)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE [Improving Teacher and Principal Quality](#) Web page.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	94.6	5.4
All Schools in District	99.6	0.4
High-Poverty Schools in District	---	---
Low-Poverty Schools in District	99.6	0.4

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2008-09)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1.4	495
Library Media Teacher (Librarian)	.8	N/A
Psychologist	.6	N/A
Social Worker	---	N/A
Nurse	.2	N/A
Speech/Language/Hearing Specialist	.8	N/A
Resource Specialist (non-teaching)	1.37	N/A
Other	---	---

## VII. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2009-10)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
Mathematics	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
Science	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
History-Social Science	All students are provided an individual textbook or instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	0
Foreign Language	N/A	N/A
Health	All students are provided an individual textbook or	0

	instructional material as determined by a survey conducted in October, 2009. All textbooks purchased are state-adopted, and are standards aligned.	
Visual and Performing Arts	All students are provided an individual textbook and/or instructional material.	0
Science Laboratory Equipment (grades 9-12)	N/A	N/A

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2007-08)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE [Current Expense of Education & Per-pupil Spending](#) Web page and teacher salaries can be found on the CDE [Certificated Salaries & Benefits](#) Web page.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$5,032	\$284	\$4,749	\$61,956
District	N/A	N/A	\$4,863	\$72,719
Percent Difference – School Site and District	N/A	N/A	-2.41	-17.37
State	N/A	N/A	\$5,512	\$67,049
Percent Difference – School Site and State	N/A	N/A	-16.07%	-8.22%

### Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

For 2008-2009, Lakeside Middle School received special funds in the amount of \$57,124.00. The majority of these funds were spent on personnel, including – classroom teachers, and instructional assistants, and to serve with unique educational needs in the following programs:

<b>Special Programs</b>	<b>Amount</b>
English Language Acquisition Program	\$ 6,743.00
Emergency Impact Aid	\$ 18,920.00
Gifted and Talented	\$ 1,716.00
School Improvement Plan	\$ 29,745.00

### Teacher and Administrative Salaries (Fiscal Year 2007-08)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE [Certificated Salaries & Benefits](#) Web page.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$40,814	\$42,065
Mid-Range Teacher Salary	\$72,891	\$67,109
Highest Teacher Salary	\$94,223	\$86,293
Average Principal Salary (Elementary)	\$112,370	\$107,115
Average Principal Salary (Middle)	\$116,909	\$112,279
Average Principal Salary (High)	\$131,659	\$122,532
Superintendent Salary	\$232,875	\$216,356
Percent of Budget for Teacher Salaries	43.10 %	39.40 %
Percent of Budget for Administrative Salaries	5.00 %	5.50 %

## IX. Student Performance

### Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics, and science in grades two through eleven, and for science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA and mathematics for grades three through eight and science in grade five and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE [Standardized Testing and Reporting \(STAR\) Results](#) Web site. Program information regarding the STAR Program can be found in the [Explaining 2008 STAR Program Summary Results to the Public guide](#). Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

### Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
English-Language Arts	82	84	84	76	78	80	43	46	50
Mathematics	83	84	84	74	76	78	40	43	46
Science	91	91	91	75	80	83	38	46	50
History-Social Science	84	82	87	60	67	71	33	36	41

*Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## Standardized Testing and Reporting Results by Student Group (School Year 2008-09)

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
African American	77	62	73	*
American Indian or Alaska Native	*	*	*	*
Asian	88	95	95	90
Filipino	100	91	*	*
Hispanic or Latino	61	46	85	78
Pacific Islander	*	*	*	*
White (not Hispanic)	86	85	89	88
Male	81	85	91	87
Female	88	83	90	88
Economically Disadvantaged	71	63	79	64
English Learners	46	73	75	41
Students with Disabilities	42	42	38	21
Students Receiving Migrant Education Services	*	*	*	*

*Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## California Physical Fitness Test Results (School Year 2008-09)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE [Physical Fitness Testing \(PFT\)](#) Web page. Note: Scores are not shown when the number of students tested is ten or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Healthy Fitness Zones		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	12.2	31.7	45.8

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE [Academic Performance Index \(API\)](#) Web page.

## Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from one to ten. A statewide rank of one means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of ten means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of one means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of ten means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2006	2007	2008
Statewide	10	10	10
Similar Schools	9	10	10

"N/A" means a number is not applicable or not available due to missing data.

"B" means this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or statewide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by Education Code Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law. Growth, target and rank information are not applicable to LEAs.

"C" means this is a special education school. Statewide and similar schools ranks are not applicable to special education schools.

" \* " means this API is calculated for a small school or a small LEA, defined as having between 11 and 99 valid STAR Program test scores included in the API. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted. Similar schools ranks are not calculated for small schools.

## Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All Students at the School	0	4	15	942
African American	---	---	---	---
American Indian or Alaska Native	---	---	---	---
Asian	7	6	10	979
Filipino	---	---	---	---
Hispanic or Latino	---	---	---	---
Pacific Islander	---	---	---	---
White (not Hispanic)	1	9	15	939
Socioeconomically Disadvantaged	---	---	---	---
English Learners	---	---	---	---
Students with Disabilities	---	---	---	---

"N/A" means a number is not applicable or not available due to missing data.

"\*\*" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2008 or 2009. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

## Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

## Adequate Yearly Progress Overall and by Criteria (School Year 2008-09)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	Yes

"Yes" Met 2009 AYP Criteria

"No" Did not Meet 2009 AYP Criteria

## Federal Intervention Program (School Year 2009-10)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

Indicator	School	District
Program Improvement Status		Not In PI
First Year of Program Improvement		
Year in Program Improvement		
Number of Schools Currently in Program Improvement	N/A	
Percent of Schools Currently in Program Improvement	N/A	

## XI. School Completion and Postsecondary Preparation

N/A

## XII. Instructional Planning and Scheduling

### Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

In 2006, Language arts and social science instructors participated in district-wide training in innovative strategies for written language. Social Science teachers participated in orientation and training for a new textbook adoption in 2006. In 2007 all math teachers participated in new textbook adoption utilization. Since 2006, 14 staff members have participated in LaunchPoint, an innovative training designed to assist teachers in developing better questioning techniques, equity strategies and other open-ended inquiry techniques designed to foster divergent thinking in the classroom. In 2008-2009, Lakeside teachers participated in Professional Learning Communities training and the weekly schedule was modified to accommodate for one late start day each week. On this day, teachers meet in grade level or department groups to determine essential learnings, develop common assessments and review data about student achievement to inform their teaching. One late start day each month is spent in a staff meeting and staff development, which is focused around PLCs, Core Ethical Values and technology.

## XIII. National Assessment of Educational Progress

### National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities and English language learners is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the [National Assessment of Educational Progress](#) Web page (Outside Source).

Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school. Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. For example, the NAEP only assesses grades four, eight and twelve and for long-term trends assesses grades nine, thirteen, and seventeen. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. For example, the NAEP is not aligned with California academic content and achievement standards and, therefore, does not necessarily reflect the curriculum and instruction to which students are exposed in the classroom. The NAEP assesses reading and writing separately, while the CSTs assess English-language arts (ELA), encompassing reading as well as writing conventions, spelling, and grammar. Scores on the CSTs and other assessments are not directly comparable to those on NAEP. The averages and percentages presented are estimates based on samples of students rather than on entire populations. Finally, the questions students respond to are only a sample of the knowledge and skills covered by the NAEP frameworks. Information on the differences between NAEP and CST can be found on the CDE [National Assessment of Educational Progress \(NAEP\)](#) Web page.

## National Assessment of Educational Progress Reading and Mathematics Results by Grade Level – Aggregated

This table displays the scale scores and achievement levels on the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight

Subject and Grade Level	Average Scale Score		State Percent at Achievement Level		
	State	National	Basic	Proficient	Advanced
Reading 2007, Grade 4	209	220	30	18	5
Reading 2007, Grade 8	251	261	41	20	2
Mathematics 2009, Grade 4	232	239	41	25	5
Mathematics 2009, Grade 8	270	282	36	18	5

## National Assessment of Educational Progress Reading and Mathematics Results for Students with Disabilities and/or English Language Learners by Grade Level – Aggregated

This table displays the state and national participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

Subject and Grade Level	State Participation Rate		National Participation Rate	
	Students With Disabilities	English Language Learners	Students With Disabilities	English Language Learners
Reading 2007, Grade 4	74	93	65	80
Reading 2007, Grade 8	78	92	66	77
Mathematics 2009, Grade 4	79	96	84	94
Mathematics 2009, Grade 8	85	96	78	92
