## About Us:

Under the Department of Mental Health and Wellness, our team offers a multidisciplinary approach to mental health support and wellness for children, adolescents, and their families.

We provide individualized services designed to meet the needs of our IUSD students and our community.

The IUSD Family Counseling Center (IFCC) values a philosophy and practice of acceptance, compassion, and support for those we serve in providing an emotionally safe and respectful environment.

Building Resiliency Empowering Individuals Strengthening Connections

## Our Goal:

We aim to provide effective and individualized support for our clients dealing with mental health concerns in an intimate and confidential setting where we can foster connection, trust and growth.

Provide strategies to reduce anxiety, stress, depression, hopelessness, and support clients to enhance their life skills and interpersonal relationships.

Strengthen family communication, resolve conflict, and restore healthy boundaries.

## Services Provided:

- Short-term evidence-based mental health services for students and families
- Group Counseling
- Psycho-educational Workshops
- Counseling referrals to community agencies and other programs
- Referrals to school-based supports
- Tele-health services for individual and family support

Our services are free to all IUSD students and families.
