PRINCIPAL'S REPORT

1. Halloween went very smoothly. We had great support from Irvine Police.
2. Math intervention classes will begin before winter break.
3. Two new copiers—training will be provided because they are very high tech.
4. Flyers should be put on landscape if possible to make half the copies and save paper.
5. Report cards come out Dec. 18.
6. Math adaption is going well. It is very different from previous years so there are some gaps to be filled. In January there will be some parent workshops.

TREASURER'S REPORT

Kristina Steeg presented check for approval. Yukie Meyers and Julie Baayoun moved the approval of checks 3778-3801. The October Financial Statement was presented. (See attached sheet)
