

School Site Council Minutes  
May 22, 2007 2:45 p.m.

Attendance: ChrissAnn Shane, Nicole Calderin, Adrienne Lo-Everett, Christine Lee Finn, Laura Cook, Gina Bowlen, Bonnie Richards, David Frerichs and Pauline Rosenthal

1. Minutes were reviewed from April 26<sup>th</sup> and were approved.
2. Block Grants – agreement to purchase LCD projectors. The district funds to support phase three of LCD acquisition. School encouraged utilizing Block Grants. There is a real need to have these projectors at this site. PTA said that they would pay for two. Our goal is to get thirty-one LCD projectors – one for each classroom. For each LCD projector: the cost of the equipment and the installation is \$3,015. Future Plans for General budget:
  - -to buy K-2 furniture – student desks and chairs
  - -support for our school PLC (release day, possible speaker/workshop)
  - already spent our textbook money and lottery money for science purchases which the staff should receive by the end of this year (totaling \$68,00)
  - a vote to use SSC money to provide the other LCD projectors for our school
  - Laura proposed purchase of five LCD projectors with block grant funds. Gina seconded it. All were in favor.
3. Encouraging more community participation in SSC
  - David discussed why he wanted “blogging” available. He wanted parents to be proactive with the posting of minutes so that parents could have more of an input into the SSC.
  - ChrissAnn reported that this was a discussion that came up at an administrative meeting. They all agreed not to participate in this type of information sharing at this point in time.
  - How will we encourage more participation?
    - Information given at Open House this year (multi-purpose room)
    - A Speaker to talk about SSC at Back to School Night (in the fall/both nights)
    - Information brochures about SSC will be distributed in the fall and mid-year
    - Possibly – a banner on the fence to advertise an up-coming SSC meeting
    - Distribute SSC minutes via ROCKS Connection email
    - Post minutes and upcoming agendas on the school web page
