College Planning 101	Saturday February 19, 2011	9:00 am – 11:00 am	Northwood High

**Geared toward high school seniors and their parents.*

Most classes taught by IUSD Guidance Counselors

Writing Your Personal Statement

This hands-on workshop will help students put their best foot forward in their college application essay. Topics will include what topic to choose, writing style, and what those college admissions officers are looking for.

The College Search: Finding the Right Match

There are many great college choices and this class will help students identify the colleges or universities that best match his or her interests. How to get the most out of college tours will be covered, as well as the standardized testing process (SAT and ACT).

Career Exploration

What color is your ipod? This fun course will help students understand the linkages between their personal interests, strengths and potential career paths. Topics will include personality and aptitude assessments, the value of internships and work experience, techniques and resources for researching careers and what college majors lead to the career of their dreams!

College Planning 101

All high school students and parents are invited to this college planning overview to learn more about finding the best college match, college applications, requirements, financial aid, and much more.
