

**Parent/Community Member
Nomination
For
SCHOOL SITE COUNCIL**

If you are a parent interested in serving a two year term on the council, please complete and return the bottom portion of this flyer to the school, attn: Melinda Fowler on or before Friday, September 5, 2008. For more information call the school at 936-7606.

Information about the School Site Council

Our council is made up of 6 staff, 3 students and 3 parent members. The purpose of the council is to make improvements in curriculum, instruction, services and in school organization and environment that help meet the needs of all students, LEP, underachieving, special education, average and gifted.

It is the goal of the site council to oversee the implementation, revision and assessment of the schools improvement plan.

Members need to be able to commit to various afternoon meetings, approximately 3-5 meetings throughout the school year. Meetings have generally been held on Wednesdays at approximately 2:40 pm.

Each year one half of the members from each constituent group are newly elected. Some training is offered by the school district for new members.
