Spring 2010 Student Parking Permit Application

(FIRST SEMESTER Permits are not valid after Friday, January 29, 2010)

Important Reminder: Our school has slightly more than 400 student parking slots for more than 1,200 Juniors and Seniors. We encourage our students to carpool and find alternative means of transportation to school to help us accommodate our parking constraints.

- Parking Permits are issued each semester for students who qualify based upon their attendance to school during the **previous** (Fall) semester.
- No more than a total of twelve (12) tardies / uncleared absences are allowed in the previous semester.
- Spring Semester Permits will be issued in the Multi-Purpose Room as follows:
 - Tuesday, January 26, 2010 : Noon – 1:00 p.m.
 - Wednesday, January 27, 2010 : Noon – 12:30 p.m. **if permits remain**
 - Thursday, January 28, 2010 : Noon – 12:30 p.m. **if permits remain**
 - We have a limited number of permits; once our quota has been issued, a Waiting List is formed.
- The cost for a Parking Permit is \$30 each semester (about \$1.50 per week). Make checks payable to "UHS." Replacement permits for lost/stolen permits are \$30.

Parking Permits can be revoked for violations of the Trojan Code of Conduct. **Students may not park in the Staff Lot prior to the end of the teaching day (this includes the period after lunch).**

Students park at their own responsibility. Lock your car to secure your possessions! Cars parked without displaying a valid permit and cars parked improperly/illegally may be: cited by Irvine Police Department, booted (\$50 charge for removal of boot), or towed off campus. Permits must be displayed through the front windshield when cars are parked on campus during the school day (7 a.m. to 3 p.m.).

List the vehicles you will be driving to school on the reverse side of this page. Parent/guardian and student must each sign where indicated. Incomplete applications cannot be accepted and can delay/prevent the issuing of a permit. Please help us maintain a safe and orderly parking environment on our campus.

To receive your permit for Spring Semester:
