

# ***Are You Ready to Make the **BIG MOVE?*****

Making the adjustment from the familiar and secure environment of middle school to the larger and less personal senior high school is difficult. We are offering a special program to help ease this transition and to make the first few weeks of high school as successful and comfortable as possible. We will help your student to:

- ☒ understand high school graduation expectations
- ☒ plan his/her four years at Uni High
- ☒ learn the campus through student and staff led tours
- ☒ realize the importance of being involved in the whole school experience
  - ☞ student government
  - ☞ athletics
  - ☞ clubs/activities
- ☒ learn department expectations, with an emphasis on science, social science and English (Level One House Program)
- ☒ meet new students, including current student body government members
- ☒ find out about the IMPACT Program

**Tuesday, Wednesday, Thursday, and Friday**  
**July 6, 7, 8, 9**  
 12:30 - 2:00

This program is in its **17th year** and has helped hundreds of students become successful in the competitive environment of high school. In order to keep the camp personal, space is limited. Please send a check for **\$130**, payable to University High School Summer Transition Camp, to David Knight at University High School. For further information, contact David Knight at Uni High (949) 936-7767 or by e-mail: [dcknight@iusd.org](mailto:dcknight@iusd.org).

***Meet on theater steps on first day of camp.***
