

Extended Day Physical Education

Enrollment and voluntary donation form

Extended Day Physical Education (formerly known as Zero Period P.E.) enables middle school students to enroll in a yearlong instrumental music class and take a second elective during the school day. With sufficient enrollment and contributions, Extended Day P.E. classes will continue to be held either before or after school. Students who sign up are required to be enrolled in at least one yearlong elective, such as instrumental and choral music, Spanish I, leadership or yearbook.

Extended Day P.E. is *not* a required class, and it is not paid for through general school funds. In fact, these courses are fully dependent on financial contributions from our participating families. Please know that a donation is not required to enroll, and families that choose to contribute may do so at any amount. However, a suggested donation of \$540 per year – or about \$3 per day – will help sustain this valuable program. Conversely, insufficient enrollment and/or insufficient funding could result in its cancellation.

To enroll your child in this class, please register online at <http://iusd.org/donations/extended-day-pe/> and return the form below to your child's middle school, ensuring there is a written record of your request. Though contributions are not required, you may choose to donate by submitting your credit card information at the web address above, or by presenting a check (payable to "IUSD") to your middle school's main office.

Enrollment forms should be completed and turned in to your school's main office by May 13, 2011 to ensure adequate time for course planning. Donations will be accepted at any time, and checks may be made payable to "IUSD." Note that all donations are tax-deductible to the fullest extent allowed by law and will be refunded in the event the Extended Day P.E. program is canceled.
