

Name: _____

Kindergarten Homework
Week # 22 February 6th- February 10th

Themes: Sunshine and Raindrops, Weather, Wood, and Valentine's Day
Dear Parents and Students,

This week we are meeting our new Alphafriend Queenie Queen, studying short i words and discussing different types of weather.

In math, we will be practicing finding number partners, and using drawings to solve math story problems. Please continue to encourage your student to make up addition and subtraction stories and show you how they can use pictures to solve their stories.

Reminders:

No School Monday, February 13th!!!

If you have not turned in your permission slip/ money yet for our Friday, February 17th, please do so ASAP!

Thank you for all your support. Have a fantastic week!

Monday:

- **New alpha-friend—Queenie Queen-** Draw at least 3 things that begin with the letter **Qq**. Label each picture.
- **Practice** throwing a ball overhand and catching with two hands.

Tuesday:

- **Write** 2-3 sentences about sunny, rainy or windy weather. (What does it feel like, what can you do, how can you dress?)

Wednesday:

- **Write** the following short /i/ words using their sounds: fit, sit, win, pig. Write each word in a sentence, and read the sentences to someone.
- **Read** any paper book you have at home.

Thursday:

- **Write** at least three sentences using our brain-words (I, see, my, like, a, to, and, go, is, here). Use kindergarten spelling and remember proper sentence structure, capitals, and periods. Read the sentences you wrote out loud.
- **Finish** Math Homework and Remembering pages for the week.
