

**2<sup>nd</sup> Annual  
Worlds of Westpark  
An Evening of International Food & Culture  
September 16, 2010 5:30pm-7:30pm**

The 2009 Worlds of Westpark was such a huge success, the PTA has decided to make this celebration of culture an annual event. The goal of this event is to give our Westpark families an opportunity to share a taste of their culture, country and traditions with each other.

Families are invited to bring food from their native country to share with other families. Each dish should serve 15-20 people. You are welcome to help others learn about your culture by providing a recipe or information about your country. You are also encouraged to decorate your table with signs, posters and native décor, as well as to wear in traditional dress if you wish.

There will be a short presentation of international music and dance. If you would like to perform, please let us know so that they can be properly scheduled.

There is no cost to participate in this PTA sponsored event. However, there will be a silent auction to raise money for school activities, so please bring your cash or checkbook and participate in this part of our evening. And, if you have items you wish to donate to the silent auction, please let us know so we can contact you to arrange the donation.

Please volunteer for set-up, clean-up, to bring a dish, to schedule a performance or to notify us of your donation for the silent auction by filling out and returning this form to your child's teacher.
