---

Westpark School is an alternative school in the Irvine Unified School District and operates on a single-track year-round calendar schedule. Parents whose children attend Westpark are also guaranteed a seat at a neighborhood traditional calendar school, generally Culverdale, if the year-round calendar is not your preference. However, parents attending a year-round school agree to the following:

- Once you have begun the year-round calendar, you may not transfer your student(s) to a traditional calendar school unless you document with appropriate papers that you have physically moved from the neighborhood. (This requirement applies at all year-round calendar schools). Per IUSD policy, students may not transfer schools after February 1.
- You are aware that the year-round calendar is specifically set to allow for the same number of vacation days as the traditional calendar school with vacations interspersed throughout the school year. You agree that you will plan family vacations accordingly in order not to infringe upon student attendance days; therefore you agree to not extend family vacations beyond our extended two and three week vacations during the fall, winter and spring
- You agree to inform the school office of current parent phone numbers to be used in the case of an emergency
- You agree to make certain that your child arrives at school punctually each day and that you will pick up your child promptly at the end of the day

Please review these agreements carefully. Sign and return to school by Friday, July 30, 2010
