

Westpark School Loved One's Day

Wednesday, November 25, 2009

Once again, Westpark School will celebrate Loved One's Day. This is a special day for relatives and friends to visit the school and spend some time in their "Loved One's" classroom. Please check with your special Loved One's teacher for what time activities will take place. You are welcome to take your Loved One out to lunch this day. You can check him or her out early to do so if you like in his or her classroom; you do not have to come through the office to do this as there will be special sign out sheets for this purpose.

We hope you can make it!
