Dear Westpark Families,

February 25, 2010

Believe it or not, it is already time to make plans for the 2010/2011 school year. The year is moving fast here at Westpark and we truly look forward to working with your children again next year.

Determining staffing needs for next year is always important, but extremely critical this year due to the State and District budget situation. I can't underscore the importance of our staff obtaining the most accurate and current information possible in order to make programmatic and personnel decisions in these difficult financial times. Thank you in advance for your help in these efforts.

Once again this year the Irvine Unified School is requiring all families to fill out and return the IUSD residency verification in order to continue enrollment in the Irvine Unified School District. This policy, instituted last year by Superintendent Gross ensures that your tax dollars go to your children. It is imperative that you return this intent survey along with the IUSD residency verification affidavit to your child's teacher. Thank you for your support with this process.

**While there only needs to be one** residency verification affidavit per family, we **need to have one intent survey from each student. You may return your intent survey and** residency verification affidavit **to your child's teacher any day during the week of March 1-5, 2010.**

**Thank you again for your support and assistance in helping us secure staffing for the 2010/2011 school year!**

Sincerely,

Dr. Erica L. Hoegh

Principal, Westpark Elementary

**RETURN THIS INTENT SURVEY BETWEEN MARCH 1<sup>st</sup> and 5<sup>th</sup>**
